

**CURADEN**  **SWISS**  
LEADING ORAL CARE PEOPLE

**Wichtig/Important/Importante/Důležitý:**

Wegen Verletzungsgefahr nicht in Zwischenräume zwingen.

Pour éviter les blessures: ne jamais forcer entre les espaces interdentaires.

Per evitare il rischio di lesioni, non introdurlo a forza negli spazi interdentali.

To prevent injuries, never force into narrow spaces.

Neprotláčujte plastové párátko mezizubním prostorem silou, může dojít k poranění.
